## Pastor Isac Tharian

Greetings to everyone of you in the most precious loving name of the Lord Jesus Christ who is going to come soon!! I am so thankful to connect with you all through this newsletter. We have come into the last quarter of the 2024. The last three quarters were not easy for most of us especially for us. In the midst of all the difficulties and toughness, we understood the Hand of the Lord is always powerful and precious. He always kept us under His wings. As you might know I had a massive heart attack and am recovering, I would like to thank each and every one who earnestly prayed for me. Thank you very much. I also would like to thank everyone for standing with us and our ministry. Revival Unto Nations (RUN) began 9 years before with the great vision to Reach the Unreached and Revive the Reached. We are still pressing on to make more disciples of Christ so that our disciples will go and make disciples. The church is progressing and growing by God's grace. God bless you. Continue to pray and support us and our ministry.

Your Brother in Christ,  
Isac Tharian

## DAYS OF HOPE AND RESTORATION

With book of Zachariah

[Listen to message series on our Youtube Channel](#) 

The theme for this last quarter of 2024 is “Hope and Restoration” with Zechariah 1:3 as our theme verse which says, “..... Return to me,’ declares the Lord Almighty, ‘and I will return to you,’ says the Lord Almighty.” Our God is God of Hope in all hopelessness. We will be restored back to God like how the people of Israel were restored back to God after the exile to Babylon.

It is also the month of remembrance of God's faithfulness and loyal Love which allows us to return back to His Presence knowing that putting our hope in Christ Jesus will lead to the full restoration of our relationship with God and man.

## GOD'S PROVISION : Land Purchase

We were praying for a long time to buy a land for Agape Kindergarten and other endeavours of the ministry. In January 2024 God enabled us to register the adjacent land. We have a huge loan on this land. Your unwavering support and prayers are truly invaluable as we rely on God's provision to navigate this financial challenge. Together, as a united community, we trust that He will guide us on this journey and provide the necessary resources to realise His vision for our church's growth.

We are also eager to see how this new property will enrich our ministry, especially in expanding our Agape Kindergarten, which plays a vital role in nurturing young children within a loving, faith-filled environment. As we progress, we encourage everyone to remain committed to prayer and to explore different ways to contribute, whether through financial support, volunteering, or sharing in our mission and needs. Together, let us continue to trust in God's perfect timing and plan, confident that He has already begun a remarkable work within and through us.

## INTENTIONAL DISCIPLESHIP TRAINING

We had an Encounter God Retreat which is a part of Intentional Discipleship Training (IDT) from October 30 & 31. IDT is an initiative that is taken by our church to strategically teach our church members and others who have newly come to faith on how to become a disciple and make other disciples. This allows us to align and function to fulfill our vision. Some of the initiatives are Alpha, Beta, Holy Spirit weekend, Encounter God Retreat, Post Encounter and many more which are of different levels. This allows a person to know the fundamental basics of God's word and have a deep view and encounter with God where each person leaves having a deep relationship with God.

## "Reignite, Recharge, Refresh: Pastors and Family Conference 2024"

The pastors conference was conducted simultaneously with the youth camp from October 9-12 in Ajanahalli, Karnataka. Here the pastoral team of RUN Fellowship Churches from different parts of India came together as a family. They spent time together in the presence of God to reignite the fire and passion of Christ in their lives and their church. After the conference, they were able to go with a greater burden and passion for the souls and walked out as the greater glory carriers. We could witness the glorious ordination of Evg. Renoy E. during this time.

## "Youth Camp 2024: A Week Of Adventure And Growth"

The youth camp was conducted from October 9- 12 in Ajanahalli, Karnataka. The youth had a time that will be remembered as it was the history-making moment for each individual, where they experienced God's presence in an unusual way. Many received the Baptism and gifts of the Holy spirit, gave themselves for the ministry and this was also an opportunity to minister among each other. The young had activities like Campfire and trekking as well. The youth left that place empowered and with the will to be a light to many in their school, college and workplace.

God enabled us to have 40 days of fasting and prayer in the month of June where as a church we were able to take time and sit and soak in His presence. Many promises were bestowed upon our church and spiritual preparation for the coming months. We were able to experience Gods tangible presence.

**“It was more than just a journey: Pr. Isac traveled to Doha and Dubai.”**

After the 40 days of fasting, God spoke to Pr. Isac to go to Qatar, Doha and Dubai to pray for a few days. He also ministered in many churches where he was used mightily for the Glory of God. He was thanking God for Lord’s mighty doing in both places. we can’t forget the right hand of Fellowship given by many churches and dear brethren in Doha and Dubai, especially Doha AG Church and leadership. He resided in Pr. Stevy’s house in Dubai where he spent many hours of prayer and intimacy with God. As he was preparing to come back to India from Dubai, one afternoon he had a severe chest pain. Pr. Stevy immediately took him to the hospital and was told that it was a massive heart attack, immediate interventions were taken and a stent was placed through angioplasty. He waited for another week and came back to Bangalore. He took complete rest for 2 months and by God’s Grace, he recovered completely.

We are grateful to the Lord for Bro. Renoy E. on whom the leadership of RUN Fellowship laid hands and ordained as an Evangelist on October 11th, 2024. He was under training as a staff in RUN Fellowship Church for 1 year and 6 months. Renoy E was born on 4 April 1999 to Edwin Das and Steps J. In his young age, his parents dedicated him for ministry and he was brought up cultivating that spirit and nature within him. From the time he was a young boy, he was fascinated and looked up to other servants of God and wanted to serve God. After his Bachelors in English Literature while preparing for further studies, he had an encounter of God through prophetic utterances and Word of God. This led him to commit his life for the Lord’s ministry. After which he did his Masters in Divinity in Southern Asia Bible College (SABC), Bangalore. He desired for someone’s covering over him for better spiritual upbringing which led him to Pr. Isac Tharian. Now he is one of the staff and serving in the Pastrol team of RUN Fellowship Church, Nagenahalli, Bangalore.
